WORK EXPERIENCE

TECHO | April 2015 - May 2015

Volunteer

Constructed homes for underprivileged families in suburban communities, promoting sustainability and improving quality of life.

Kobi Karp Architecture | April 2016 - May 2016

Intern

Shadowed architect Kobi Karp, participating in meetings and developing designs using AutoCAD and SketchUp. Gained valuable experience and skills in architectural design.

Yellow House Architecture | June 2022 - August 2022

Intern

Collaborated with cross-functional teams in Miami and NYC to develop construction documents, facilitating virtual and on-site meetings with clients, contractors, and engineers.

House of One | May 2023 - September 2024

Junior Designer

Served as Junior Designer, developing innovative ideas and concepts for clients. Collaborated with contractors through on-site and virtual meetings to ensure seamless project execution.

EDUCATION

Interior Decorating Certificate

Instituto Europeo di Design Madrid | 2018 - 2019

Bachelor of Architecture

University of Miami | 2019 - 2024
